

Highly Specialized Cardiac Care

TeleMedico Physicians Teams Up with Eastcastle Place Health & Rehabilitation Center

For patients with a cardiac diagnosis, Eastcastle Place Health & Rehabilitation Center offers a continuum of highly specialized short-term and long-term care. The Cardiology Division of TeleMedico Physicians works with our Health & Rehabilitation Center team to customize a treatment plan, optimize healing, manage and treat cardiac conditions.

Benefits for Physicians, Hospitals and Patients

FOR CARDIOLOGISTS:

Eastcastle Place Health & Rehabilitation Center helps ensure the best possible patient clinical outcomes through a continuity of care overseen by on-site cardiac specialists.

FOR HOSPITALS:

The continuum of focused, highly specialized cardiac care at Eastcastle Place Health & Rehabilitation Center helps reduce hospital readmissions.

FOR PATIENTS:

The expertise of TeleMedico Physicians offers peace of mind, better healing/management of cardiac conditions and improved quality of life.
